102 East 3rd Street  
Winston Salem, N. C.

Dear Friend:

I received your letter, and about the same time, one from Mr. Allen. I notice the stationery is the same so I assume you are both interested in the same club. I am writing Mr. Allen at this time asking about the possibility of playing in Winston Salem.

It may be possible for us to stop in there sometime during April. Let me know what the situation is and if you would be interested in having us come.

Very truly yours,
